

Appeals Committee

The terms of reference of the Authority's Appeals Committee are as follows:

To hear and decide upon:

Disputes under the national conditions of service for uniformed and non-uniformed personnel.

Appeals under the Firemen's Pension Scheme Orders (as amended).

Appeals under the Local Government Superannuation Regulations.

This requires the Committee to receive personal information about employees that cannot be made publicly available under Access to Information and Data Protection legislation. Consequently the information cannot be released.

The Fire Authority would like to apologise to you for any inconvenience that the inavailability of this information may cause you.
