

WEST MIDLANDS FIRE AND CIVIL DEFENCE AUTHORITY

REPORT TO THE FIRE AUTHORITY

27TH SEPTEMBER 2004

SUPPLY CHAIN MODERNISATION

This report relates to a proposal to disestablish the Brigade's current procurement structure and establish a revised structure.

The report contains information which cannot be made publicly available under Access to Information legislation. Consequently the information cannot be released.

The Authority would like to apologise to you for any inconvenience that the unavailability of this information may cause you.
