

**WEST MIDLANDS FIRE AND RESCUE AUTHORITY**

**REPORT TO THE FIRE AUTHORITY**

**11<sup>TH</sup> APRIL 2005**

**MOBILE DATA SOFTWARE UPGRADE**

This report relates to a proposal for the Authority to approve the procurement of software utilising the Office of Government Commerce (OGC) G-Cat procurement route, to enhance the Mobile Data facilities on all operational appliances.

The report contains information which cannot be made publicly available under Access to Information legislation. Consequently the information cannot be released.

The Authority would like to apologise to you for any inconvenience that the unavailability of this information may cause you.
