

Appeals Committee

The Authority's Appeals Committee is responsible for hearing and determining appeals made by Authority employees against management decisions in relation to:-

the national conditions of service for uniformed and non-uniformed personnel.

the Firemen's Pension Scheme Order.

the Local Government Superannuation Regulations.

This requires the Committee to receive personal information about the appellants which cannot be made publicly available under Access to Information and Data Protection legislation. Consequently the information cannot be released.

The Authority apologises for any inconvenience that the unavailability of this information may cause you.
