Key messages

This report summarises the findings from the 2011/12 audit which is substantially complete. It includes the messages arising from my audit of your financial statements and the results of the work I have undertaken to assess your arrangements to secure value for money in your use of resources.

Financial statements

I have substantially completed my audit work and I expect to issue an unqualified opinion.

My audit found some minor issues with the financial statements and Management have adjusted the financial statements for these.

Good working papers were produced to support the financial statements and audit queries were promptly answered.

Value for money (VFM)

I expect to conclude that you have made proper arrangements to secure economy, efficiency and effectiveness in your use of resources. The Authority has proper arrangements to secure financial resilience. The Authority also has proper arrangements for challenging how it secures economy, efficiency and effectiveness.

Before I give my opinion and conclusion

My report includes only matters of governance interest that have come to my attention in performing my audit. I have not designed my audit to identify all matters that might be relevant to you.

Independence

I can confirm that I have complied with the Auditing Practices Board's ethical standards for auditors, including ES 1 (revised) - Integrity, Objectivity and Independence.

I am not aware of any relationships that may affect the independence and objectivity of the Audit Commission, the audit team or me, that I am required by auditing and ethical standards to report to you.

The Audit Commission's Audit Practice has not undertaken any non-audit work for the Authority during 2011/12.

I ask the Authority to:

- note the content of this report including the proposed auditor's report (appendix 1); and
- approve the letter of representation (appendix 2) before I issue my opinion and conclusion.

Financial statements

The Authority's financial statements and annual governance statement are important means by which the Authority accounts for its stewardship of public funds. As elected Members you have final responsibility for these statements. It is important that you consider my findings before you adopt the financial statements and the annual governance statement.

Opinion on the financial statements

Subject to satisfactory clearance of outstanding matters, I plan to issue an audit report including an unqualified opinion on the financial statements. Appendix 1 contains a copy of my draft audit report.

Uncorrected errors

There are no uncorrected errors.

Corrected errors

There were a small number of other misstatements and presentation errors within the financial statements. As all these other errors have been corrected by Management, none were material and there was no impact on the overall reported financial performance, I have not reported the individual detail of these to you.

Significant risks and my findings

My 2011/12 Audit Plan reported the significant risks that I identified relevant to my audit of your financial statements. In Table 1, I report to you my findings against each of these risks.

Table 1: **Risks and findings**

Risk	Finding
<p>2011/12 is the first year in which the Authority has had to undertake component accounting. IFRS accounting introduced the need to account for components of an asset separately where the useful lives are substantially different. Authorities must ensure that the overall value of an asset is fairly apportioned over significant components that need to be accounted for separately and that their useful lives and the method of depreciation are determined on a reasonable and consistent basis. This requirement only applies to assets which have been revalued after 1 April 2010 and did not have any impact on the FRA in 2010/11.</p>	<p>Our review shows that the Authority has correctly identified components and has allocated differing useful lives and depreciation rates (based on information provided by the Valuer). No issues noted at audit.</p>
<p>As we reported in our annual governance report last year, the Authority had complied in most respects with the new requirement to analyse its financial performance by operating segment. However, the segments you chose to report did not correspond with those used for internal reporting, which is what is intended by the Code. Internal reporting is by directorate, whereas only two segments were used in the accounts.</p>	<p>We reviewed the final note produced in the financial statements to ensure that it complies with the requirements. No issues noted.</p>

Significant weaknesses in internal control

It is the responsibility of the Authority to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. My responsibility as your auditor is to consider whether the Authority has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

I have tested the controls of the Authority only to the extent necessary for me to complete my audit. I am not expressing an opinion on the overall effectiveness of internal control. I have reviewed the Annual Governance Statement and can confirm that:

- it complies with the requirements of CIPFA/SOLACE Delivering Good Governance in Local Government Framework; and
- it is consistent with other information that I am aware of from my audit of the financial statements.

My audit has not identified any significant internal control issues.

I have discussed some minor issues with the Director of Finance and the main ones are noted below.

- As reported to you last year, no formal policy exists to ensure that staff acknowledge reading (and understanding) IT policies and procedures. As a result staff may contravene policies resulting in potential data loss and exposure.
- Working papers on provisions and earmarked reserves should more clearly state the judgement reached by the Authority on why an item is treated as a reserve or provision.
- The person authorising payroll changes did not always sign the document but just put a tick mark.
- The Authority amended the de minimus limit for capitalising expenditure from £6k to £10k from 1 April 2011. No amendments have been made to the asset register to remove items that have been recognised below the de minimus in previous years (£69k).

Other matters

I am required to communicate to you significant findings from the audit and other matters that are significant to your oversight of the Authority's financial reporting process including the following.

- Qualitative aspects of your accounting practices.
- Matters specifically required by other auditing standards to be communicated to those charged with governance. For example, issues about fraud, compliance with laws and regulations, external confirmations and related party transactions.
- Other audit matters of governance interest

I have no matters to report.

Whole of Government Accounts

Alongside my work on the financial statements, I have also reviewed and reported to the National Audit Office on your Whole of Government Accounts return. The extent of my review and the nature of my report were specified by the National Audit Office. I have no matters to report.

Value for money

I am required to conclude whether the Authority put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. This is the value for money conclusion.

I assess your arrangements against the two criteria specified by the Commission. In my 2011/12 Audit Plan I reported to you the significant risks that were relevant to my conclusion. I have set out below my conclusion on the two criteria, including the findings of my work addressing each of the risks I identified.

I intend to issue an unqualified conclusion stating that the Authority has proper arrangements to secure economy, efficiency and effectiveness in the use of its resources. I include my draft conclusion in Appendix 1.

Table 2: **Value for money conclusion criteria and my findings**

Criteria	Risk	Findings
<p>1. Financial resilience</p> <p>The organisation has proper arrangements in place to secure financial resilience.</p> <p>Focus for 2011/12:</p> <p>The organisation has robust systems and processes to manage effectively financial risks and opportunities, and to secure a stable financial position that enables it to continue to operate for the foreseeable future.</p>	<p>Financial challenges due to funding cuts from the national settlement.</p>	<p>The Authority does have adequate arrangements.</p> <p>My assessment is based on the review of the Authority's arrangements in place for managing its financial position, its performance in 2011/12 and financial plans for the long and medium term.</p> <p>The Authority has used scenario planning for the future given the uncertainty over future grant funding. As at 31 March 2012, the Authority held General Fund (GF) reserves of £6.7m and earmarked GF reserves of £23m, which does allow some flexibility for the Authority in managing its finances.</p>

Criteria	Risk	Findings
<p>2. Securing economy efficiency and effectiveness</p> <p>The organisation has proper arrangements for challenging how it secures economy, efficiency and effectiveness.</p> <p>Focus for 2011/12:</p> <p>The organisation is prioritising its resources within tighter budgets, for example by achieving cost reductions and by improving efficiency and productivity.</p>	<p>None identified.</p>	<p>The Authority does have adequate arrangements. My assessment is based on review of the Authority's past and current arrangements and performance in securing economy, efficiency and effectiveness.</p> <p>I also updated my review of the Building upon Success project, which is the key means of identifying and achieving savings. The Authority has put in place plans and projects to examine costs and efficiency in all areas of the service. It has recognised the need to become more effective to be able to deliver services within reduced grant funding of 25% over a four year period.</p>

Fees

I reported my planned audit fee in the 2011/12 Audit Plan.

I will complete the audit within the planned fee.

Table 3: **Fees**

	Planned fee 2011/12 (£)	Expected fee 2011/12 (£)
Audit Scale Fee	85,860	85,860
Total Payable	85,860	85,860

The Audit Commission has paid a rebate of £6,869 to reflect attaining internal efficiency savings, reducing the net amount payable to the Audit Commission to £78,991.

Appendix 1 – Draft independent auditor's report

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WEST MIDLANDS FIRE AND RESCUE AUTHORITY

Opinion on the Authority and Pension Fund financial statements

I have audited the financial statements and the firefighters' pension fund financial statements of West Midlands Fire and Rescue Authority for the year ended 31 March 2012 under the Audit Commission Act 1998. The financial statements comprise the Movement in Reserves Statement, the Comprehensive Income and Expenditure Statement, the Balance Sheet, the Cash Flow Statement and the related notes. The firefighters' pension fund financial statements comprise the Fund Account, the Net Assets Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFAS/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2011/12.

This report is made solely to the members of West Midlands Fire and Rescue Authority in accordance with Part II of the Audit Commission Act 1998 and for no other purpose, as set out in paragraph 48 of the Statement of Responsibilities of Auditors and Audited Bodies published by the Audit Commission in March 2010.

Respective responsibilities of the Treasurer and auditor

As explained more fully in the Statement of the Treasurer's Responsibilities, the Treasurer is responsible for the preparation of the Authority's Statement of Accounts, which includes the financial statements and the firefighters' pension fund financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom, and for being satisfied that they give a true and fair view. My responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require me to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Authority and Pension Fund's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Treasurer; and the overall presentation of the financial statements. In addition, I read all the financial and non-financial information in the explanatory foreword to identify material inconsistencies with the audited financial statements. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Opinion on financial statements

In my opinion the financial statements:

- give a true and fair view of the financial position of West Midlands Fire and Rescue Authority as at 31 March 2012 and of its expenditure and income for the year then ended;
- give a true and fair view of the financial transactions of the firefighters' pension fund during the year ended 31 March 2012 and the amount and disposition of the fund's assets and liabilities as at 31 March 2012, other than liabilities to pay pensions and other benefits after the end of the scheme year; and
- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2011/12.

Opinion on other matters

In my opinion, the information given in the explanatory foreword for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which I report by exception

I report to you if:

- in my opinion the annual governance statement does not reflect compliance with 'Delivering Good Governance in Local Government: a Framework' published by CIPFA/SOLACE in June 2007;
- I issue a report in the public interest under section 8 of the Audit Commission Act 1998;
- I designate under section 11 of the Audit Commission Act 1998 any recommendation as one that requires the Authority to consider it at a public meeting and to decide what action to take in response; or
- I exercise any other special powers of the auditor under the Audit Commission Act 1998.

I have nothing to report in these respects

Conclusion on Authority's arrangements for securing economy, efficiency and effectiveness in the use of resources

Respective responsibilities of the Authority and the auditor

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

I am required under Section 5 of the Audit Commission Act 1998 to satisfy myself that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the Audit Commission requires me to report to you my conclusion relating to proper arrangements, having regard to relevant criteria specified by the Audit Commission.

I report if significant matters have come to my attention which prevent me from concluding that the Authority has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. I am not required to consider, nor have I considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

I have undertaken my audit in accordance with the Code of Audit Practice, having regard to the guidance on the specified criteria, published by the Audit Commission in October 2011, as to whether the Authority has proper arrangements for:

- securing financial resilience; and
- challenging how it secures economy, efficiency and effectiveness.

The Audit Commission has determined these two criteria as those necessary for me to consider under the Code of Audit Practice in satisfying myself whether the Authority put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2012.

I planned my work in accordance with the Code of Audit Practice. Based on my risk assessment, I undertook such work as I considered necessary to form a view on whether, in all significant respects, the Authority had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Conclusion

On the basis of my work, having regard to the guidance on the specified criteria published by the Audit Commission in October 2011, I am satisfied that, in all significant respects, West Midlands Fire and Rescue Authority put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2012.

Certificate

I certify that I have completed the audit of the accounts of West Midlands Fire and Rescue Authority in accordance with the requirements of the Audit Commission Act 1998 and the Code of Audit Practice issued by the Audit Commission.

Appendix 2 – Draft letter of management representation

West Midlands Fire and Rescue Authority - Audit for the year ended 31 March 2012

I confirm to the best of my knowledge and belief, having made appropriate enquiries of other directors of West Midlands Fire and Rescue Authority, the following representations given to you in connection with your audit of the Authority's financial statements for the year ended 31 March 2012.

Compliance with the statutory authorities

I have fulfilled my responsibility under the relevant statutory authorities for preparing the financial statements in accordance with the Accounts and Audit (England) Regulations 2011 and the Code of Practice on Local Authority Accounting in the United Kingdom which give a true and fair view of the financial position and financial performance of the Authority, for the completeness of the information provided to you, and for making accurate representations to you.

Supporting records

I have made available all relevant information and access to persons within the Authority for the purpose of your audit. I have properly reflected and recorded in the financial statements all the transactions undertaken by the Authority.

Irregularities

I acknowledge my responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud or error.

I also confirm that I have disclosed:

- my knowledge of fraud, or suspected fraud, involving either management, employees who have significant roles in internal control or others where fraud could have a material effect on the financial statements;
- my knowledge of any allegations of fraud, or suspected fraud, affecting the entity's financial statements communicated by employees, former employees, analysts, regulators or others; and
- the results of our assessment of the risk the financial statements may be materially misstated as a result of fraud.

Law, regulations, contractual arrangements and codes of practice

I have disclosed to you all known instances of non-compliance, or suspected non-compliance with laws, regulations and codes of practice, whose effects should be considered when preparing financial statements.

Transactions and events have been carried out in accordance with law, regulation or other authority. The Authority has complied with all aspects of contractual arrangements that could have a material effect on the financial statements in the event of non-compliance.

All known actual or possible litigation and claims, whose effects should be considered when preparing the financial statements, have been disclosed to the auditor and accounted for and disclosed in accordance with the applicable financial reporting framework.

Accounting estimates including fair values

I confirm the reasonableness of the significant assumptions used in making the accounting estimates, including those measured at fair value.

Related party transactions

I confirm that I have disclosed the identity of the Authority's related parties and all the related party relationships and transactions of which I am aware. I have appropriately accounted for and disclosed such relationships and transactions in accordance with the requirements of the Code.

Subsequent events

I have adjusted for or disclosed in the financial statements all relevant events subsequent to the date of the financial statements.

Comparative financial statements

Restatements were made to correct misstatements in the prior period financial statements as outlined in the Accounting Policies Section of the financial statements (note 24). Written representations previously made in respect of the prior period remain appropriate.

Compensating arrangements

There are no formal or informal compensating balancing arrangements with any of our cash and investment accounts.

Contingent liabilities

There are no other contingent liabilities, other than those that have been properly recorded and disclosed in the financial statements. In particular:

- there is no significant pending or threatened litigation, other than those already disclosed in the financial statements;
- there are no material commitments or contractual issues, other than those already disclosed in the financial statements and
- no financial guarantees have been given to third parties.

Signed on behalf of West Midlands Fire and Rescue Authority

I confirm that this letter has been discussed and agreed by the Authority on 24 September 2012.

Name

Position

Date

Appendix 3 – Glossary

Annual Governance Report

The auditor's report on matters arising from the audit of the financial statements presented to those charged with governance before the auditor issues their opinion [and conclusion].

Annual Governance Statement

The annual report on the Authority's systems of internal control that supports the achievement of the Authority's policies aims and objectives.

Audit of the accounts

The audit of the accounts of an audited body comprises all work carried out by an auditor under the Code to meet their statutory responsibilities under the Audit Commission Act 1998.

Audited body

A body to which the Audit Commission is responsible for appointing the external auditor.

Auditing Practices Board (APB)

The body responsible in the UK for issuing auditing standards, ethical standards and associated guidance to auditors. Its objectives are to establish high standards of auditing that meet the developing needs of users of financial information and to ensure public confidence in the auditing process.

Auditing standards

Pronouncements of the APB that contain basic principles and essential procedures with which auditors must comply, except where otherwise stated in the auditing standard concerned.

Auditor(s)

Auditors appointed by the Audit Commission.

Code (the)

The Code of Audit Practice for local government bodies issued by the Audit Commission and approved by Parliament.

Commission (the)

The Audit Commission for Local Authorities and the National Health Service in England.

Ethical Standards

Pronouncements of the APB that contain basic principles relating to independence, integrity and objectivity that apply to the conduct of audits and with which auditors must comply, except where otherwise stated in the standard concerned.

Financial statements

The annual statement of accounts that the Authority is required to prepare, which report the financial performance and financial position of the Authority in accordance with the Accounts and Audit (England) Regulations 2011 and the Code of Practice on Local Authority Accounting in the United Kingdom.

Internal control

The whole system of controls, financial and otherwise, that the Authority establishes to provide reasonable assurance of effective and efficient operations, internal financial control and compliance with laws and regulations.

Materiality

The APB defines this concept as 'an expression of the relative significance or importance of a particular matter in the context of the financial statements as a whole. A matter is material if its omission would reasonably influence the decisions of an addressee of the auditor's report; likewise a misstatement is material if it would have a similar influence. Materiality may also be considered in the context of any individual primary statement within the financial statements or of individual items included in them. Materiality is not capable of general mathematical definition, as it has both qualitative and quantitative aspects'.

The term 'materiality' applies only to the financial statements. Auditors appointed by the Commission have responsibilities and duties under statute, as well as their responsibility to give an opinion on the financial statements, which do not necessarily affect their opinion on the financial statements.

Significance

The concept of 'significance' applies to these wider responsibilities and auditors adopt a level of significance that may differ from the materiality level applied to their audit of the financial statements. Significance has both qualitative and quantitative aspects.

Those charged with governance

Those entrusted with the supervision, control and direction of the Authority. This term includes the members of the Authority and its Audit Committee.

Whole of Government Accounts

A project leading to a set of consolidated accounts for the entire UK public sector on commercial accounting principles. The Authority must submit a consolidation pack to the department for Communities and Local Government which is based on, but separate from, its financial statements.

The Statement of Responsibilities of Auditors and Audited Bodies issued by the Audit Commission explains the respective responsibilities of auditors and of the audited body. Reports prepared by appointed auditors are addressed to non-executive directors, members or officers. They are prepared for the sole use of the audited body. Auditors accept no responsibility to:

- any director/member or officer in their individual capacity; or
- any third party.
