### **35/09 Audit Commission – External Opinion Plan**

The Committee noted the Audit Commission's approach to the opinion audit at the planning stage and key deadlines and milestones for 2009/10 as set out in the External Opinion Plan.

The main stages of work were as follows:-

- familiarisation with the control environment and key financial systems;
- to review the internal audit function;

### **36/09 Audit Commission – Annual Audit Fee 2009/10**

The annual audit fee was based on the risk-based approach to audit planning as set out in the Code of Audit Practice and work mandated by the Audit Commission for 2009/10; and reflected only the audit element of the work, excluding any inspection and assessment fees.

The total indicative fee for the audit for 2009/10 was £87,850 (excluding VAT) compared to the planned fee of £86,737 for 2008/09.

## Audit Committee – 6<sup>th</sup> July, 2009

The Audit Commission had recently published its work programme and scale of fees for 2009/10. The scale fee for the Authority was £91,260. The fee proposed for 2009/10 was 3.7% below the scale fee.

The fee excluded any work requested by the Authority that the external auditor may agree to undertake using its advice and assistance powers, the fee for which would be negotiated separately.
